

Welcome to the Latrobe Valley Camera Club.

We are a group of enthusiastic photographers who love to create interesting images and enjoy learning from each other.

Our meetings are held in Traralgon on the fourth Tuesday of each month at 7pm, at the Monomeath Centre, located on the corner of the Princes Highway and Whittakers Road.

Monthly meetings are a great opportunity to develop photography skills through practical demonstrations, workshops and regular club competitions.

We are an active group and this means that as well as our regular meetings we also conduct photography excursions and workshops throughout the year.

If you like to take photos or if you'd like to learn how to take better photos we would love you to be a guest at one of our future meetings and check us out.

Whether you take family snapshots, travel photos or fine art images, you will find lots of people and activities to help you do that, and to provide the inspiration to create great images.

For further information please see our contact details.
